### **REFERENCE FROM LADA - BULGARIA FOR MONOLIT 3 Ltd.**

On 10th of April 96 LADA-BULGARIA Ltd. signed a contract with MONOLIT 3 Ltd. with object of the contract designing and construction. MONOLIT 3 Ltd. is the General designer and executor of an administrative building with total built-up area more than 7 000 m<sup>2</sup>. Within the due terms MONOLIT 3 Ltd. finished the design and started the rough construction works of this project.

Modern construction technologies were applied during the designing period: mounting beyond plates, new formwork elements, special treatment of concrete pavement a.o.

Up-to now we have not any objections regarding quality of construction and terms.

Most advantageous for MONOLIT 3 Ltd. is the use of its own mechanization during the whole construction cycle.

The company has well proven professionals, which have high requirements regarding quality and performance. The working team from MONOLIT 3 Ltd., executing a construction sites in Germany, showed an excellent performance in their work.

We highly recommend MONOLIT 3 Ltd. to other investors.
