"ANDREAS STIHL" company officially submits the present Reference to "MONOLIT 3" LTD –we would like to express our thanks and compliments concerning our mutual business and cooperation.

"MONOLIT 3" LTD made the design and executed successfully the Mounting and Constructive operations of our new and modern Office building, Manufacture building and Warehouse of our Company, situated in the town of Sofia.

All the executed Mounting and Constructive works were of excellent quality and regarding all the requirements of the Bulgarian and European requirements.

We would like to recommend—"MONOLIT 3" as a building company, possessing:

- a designers team of good experience;*
- a huge manufacturing capacity and factories for executing of reinforced-concrete elements;*
- a complete set of heavy and small mechanization for building purposes;*
- a well experienced executors of all the constructive parts*

Sincerely yours:
