In the spring of 1993 a contract was signed with MONOLIT 3 Ltd. for building a house for ACM Ltd. in Boiana-district, No 87, Simeon Radev Str.

The construction site is a four floor building, air-conditioned, floor heating and e.g. As a General executor MONOLIT 3 Ltd. organized and completed the building with an excellent quality. In December 1994, Act No 15 was signed - for handing over of the house.

Additionally, a new construction works were assigned on building site: vertical levelling, hydrophore installation, local lighting and others, which MONOLIT 3 Ltd. completed in accordance with the agreements.

The main reason for the successful fulfilment of the construction site is the fact, that MONOLIT 3 Ltd. owns all needed heavy equipment for the construction, excellent executors and highly skilled technical management.

I would like to reccomend MONOLIT 3 Ltd., Sofia, 52 Georgi Sofiiski Street, tel. 517 125 and 547 135, Fax: 548 150 to all Investors, looking for high quality performance.
